MINIMAL DWELLING AS URBAN PRACTICE

IBA'27-SCHOOL
26 JUL – 2 AUG 2019

The IBA'27-School asks for visionary approaches towards minimal dwelling, neighbourhood ties and concepts for existing and future communities of Stuttgart's district Rot / Böckinger Straße.

If you're interested in urban development, (landscape) architecture and aspire to be part of the IBA'27-School, please see school.iba27.de for contacts at your university!
